RE: SIGNING OF STAFF PERFORMANCE APPRAISAL SYSTEM (SPAS)

The Directorate of Performance Management has successfully concluded the signing of Performance Contracts for Levels One, Two, and Three for the Financial Year 2025/2026.

The process has now advanced to the Staff Performance Appraisal System (SPAS) stage. All County Government officers from Job Group Q and below are required to digitally sign their SPAS.

All officers are hereby directed, as a matter of urgency, to log into the system using the same link used during onboarding and complete the signing process between Wednesday, 1st April 2026 and Thursday, 2nd April 2026.

The Directorate has already conducted sensitization webinars across all departments. The signing process is simple and takes approximately three minutes using a smartphone or laptop.

Additionally, all Directors, Advisors, Municipal Board Members, and other County Entity Members who have not yet signed their Performance Contracts are required to do so by the close of business today.

Please note that compliance with Performance Management requirements is mandatory. Officers who fail to sign their Performance Contracts and SPAS within the stipulated timelines will be subject to sanctions, including possible salary stoppage and disciplinary action.

All CECMs and Chief Officers are required to take full responsibility for coordinating this exercise within their departments. This includes organizing and mobilizing officers at both headquarters and sub-county levels. Sub-County Administrators are similarly directed to oversee and ensure compliance at the local level.

All Authorized Officers must submit a compliance report to my office by 5:00 PM on 2nd April 2026, with a copy to the Director of Performance Management.

For any clarification or assistance, please contact Dr. Kennedy Ongeko, Ag. Director, Performance Management.
